Dear Parents/ Carers,

Toys - How have children's toys changed?

In Year 1, we will be learning about Toys in the Spring half term. We will be learning about materials, toys from the past and present and creating our own moving pictures.

As an entry point to our learning, we are having a 'Bring your toys to school' day. We would like to invite the children to bring a toy in from home. This could be a new toy, old toy or special toy of their choice. We ask that children do not bring in any electrical toys such as hand held computers or iPads. Children will be sharing their toys with their friends and the class as a whole.

To build on this, we plan to watch sections of Toy Story 1. This film has a PG certificate. If you would not like your child to watch this film, please let your child's class teacher know.

Also, we hope to organise a time for parents and grandparents to visit our class to share toys and games from their childhood. Please let your child know if you or grandparents would be available to support this.

Many thanks for your continued support,

Mrs Garratty, Miss Thorpe and Miss Pattison
