KEY DEFINITIONS USED IN THIS POLICY:

The Trust	LIFE Education Trust
The Board/Directors/Trust Board	The Board of Directors of LIFE Education Trust
School/Trust school	An Academy or school within LIFE Education Trust
Staff	All staff employed by LIFE Education Trust and working with academies, schools or units within LIFE Education Trust

All schools within the LIFE Education Trust are legally defined as academies, regardless of whether the term “school” is used to describe them in the following policy.

Recruitment Policy

1. Introduction

This document sets out the safer recruitment and selection procedures which will be followed at the LIFE Education Trust and all of its schools and provides employees who have responsibility for recruitment and selection with guidance on legal requirements and best practice.

2. Policy Statement

The Trust's Recruitment & Selection Policy Statement is at **Appendix A**.

As part of its commitment to safeguarding and promoting the welfare of children and young people, a range of pre-employment checks will be undertaken on employees and volunteers and there is a requirement on external organisations providing workers to do the same.

Details of these checks can be found in the Pre-Employment Checks Procedure.

These requirements are summarised in the Recruitment & Selection Policy Statement and more detail can be found at **Appendix A & Ai**.

3. Scope

Children are likely to perceive all adults in the Trust and its schools as safe and trustworthy adults. The principles described in this policy will therefore be applied in relation to everyone who applies to work in these schools including:

- staff employed on a permanent basis,
- temporary and casual staff
- unpaid volunteers (see Section 6)
- overseas workers (guidance available from UK Border Agency www.ukba.homeoffice.gov.uk)
- those employed by external organisations such as supply agencies (see Section 7)
- where appropriate contractors and self-employed persons.

4. Roles and Responsibilities

4.1 It is the responsibility of the **Trust Board** to:

- ensure there are effective policies and procedures in place for the safe recruitment of all staff and volunteers and for the engagement of other adults in accordance with DfE guidance and legal requirements;
- through **Local Governing Bodies** to monitor compliance with those policies and procedures;
- elect a selection panel of at least three people drawn from the Trust Board and the relevant Local Governing Body for the appointment of Headteachers. For the appointment of Senior Leaders, the panel will be drawn from the relevant Senior Leadership team and Local Governing Body. The panel will, in the case of Senior Leadership appointments, include the Headteacher.

4.2.1 It is the responsibility of the **headteacher, and other managers** involved in recruitment to:

- ensure that safe recruitment procedures are in operation and make sure all appropriate checks are carried out on all staff, volunteers and others engaged to work;
- ensure contractors' and agencies' compliance with this document;
- secure and promote the welfare of children at every stage of the process.

4.3 It is the responsibility of all **potential and existing workers, including volunteers** to comply with this document.

4.4 It is the responsibility of all **contractors and agencies** to comply with safe recruitment pre-employment checks.

4.5 Delegated Authority

The Trust Board has delegated authority to each Headteacher to lead on all staff appointments outside of the leadership group.

4.6.1 The Local Governing Body will be involved in the appointment of Senior Leaders.

4.6.2 At the Headteacher's request, members of the Local Governing Body may be involved in staff appointments below leadership level but the final decision will rest with the Headteacher. The Headteacher may delegate the selection process of staff outside of the leadership group to other managers, but remains responsible for the decision to appoint.

5. The Recruitment Procedure

Please see **Appendix B** for a summary of Trust's recruitment procedure.

See also section 6 for recruitment procedures for volunteers.

5.1. Pre-advertisement

5.1.1 Identifying a vacancy

The recruitment process starts as soon as a vacancy has been identified. Before any action is initiated, careful consideration will be given to the necessity for filling the post, the tasks to be undertaken and the skills, attributes and behaviours required to do the job.

5.1.2 Job Profiles/Descriptions/Person Specifications

A job description and person specification will be drawn up for all posts. The job description will provide a framework of expectations and will define the purpose, scope and the principal duties and responsibilities of the role. The person specification will enable applicants to assess themselves for the job and provides a benchmark for judging suitability. All work involves some degree of responsibility for safeguarding children, although the extent of that responsibility will vary according to the nature of the post. Job Descriptions and Person Specifications will clearly set out the extent of the relationships/contact with children and the degree of responsibility for children for each post.

The job description and person specification will be used throughout the recruitment process to develop the shortlisting and selection criteria.

The salary for the job will be evaluated at this point and the actual salary range will be advertised.

See **Appendix C** for more information and templates.

5.1.3 Setting timescales

It is essential to plan the recruitment exercise itself, identifying who should be involved, assigning responsibilities, and setting aside sufficient time for the work needed at each stage so that safeguards are not overlooked. For example, it is important to organise the selection process to allow references to be obtained on shortlisted candidates before interview.

The length of the recruitment process varies depending on the type of vacancy (e.g. teaching/support staff), the frequency of the desired publication (e.g. daily, weekly, fortnightly, monthly), whether it is necessary to advertise both internally and externally, the requirement for a work permit, availability of staff and the length of the individual's notice period. See **Appendix D**.

5.1.4 Recruitment pack

The recruitment pack will vary according to the post but will consist, as a minimum, of:

- Application form
- Job Description
- Person Specification
- The Recruitment and Selection Policy statement.

The pack may also include other relevant information i.e. covering letter, prospectus, map etc.

5.1.5 Visits

Informal discussions and visits prior to application are welcomed by prior arrangement.

5.2. Advertising

To ensure equality of opportunity, all vacant posts will be advertised to encourage as wide a field of candidates as possible, normally this will entail an external advertisement.

However, where there is a reasonable expectation that there are sufficient qualified and experienced internal candidates, or where staff are at risk of redundancy, an internal advertisement may be considered appropriate.

Headteacher and Senior Leadership posts will be advertised in the manner considered appropriate by the Trust. In order to ensure the widest possible field of candidates advertising will usually be national for these roles, unless there is a good reason not to do so.

See **Appendix E** for more information.

5.3. Application

5.3.1 Application Form

A standard application form is used for all vacancies. Alternate format application forms will be accepted from disabled applicants, but such applicants must provide all of the information required by the standard application form. Curriculum vitae will not be accepted in isolation.

All parts of the application form must be completed and the form signed by the candidate. Where applicants submit an on-line application they will be asked to sign a paper copy. A completed application form will provide the basis for necessary pre-employment checks. Incomplete application forms will not be accepted and will be returned for completion or checked with the candidate. Where an applicant is shortlisted, any discrepancies or gaps in employment will be discussed at interview.

Applicants should be aware that providing false information is an offence and could result in the application being rejected or, in summary dismissal if the applicant has been selected and possible referral to the police.

Application Forms can be found in **Appendix F**

5.3.2 Recruitment Monitoring Form

There is a requirement to monitor certain aspects of employment practices including monitoring the ethnicity, disability and gender of employees and applicants. As part of the application process therefore, individuals will be asked to complete a Recruitment Monitoring Information form. Completion of the form will ensure that policy and procedures are effective in avoiding discrimination and promoting equal opportunities in recruitment. However the completion of the form is voluntary and therefore candidates are not obliged to complete it.

The recruitment monitoring information does not form part of the selection process and will be detached from the application form prior to shortlisting.

The information provided will be used for monitoring and statistical data purposes only. Required reporting of this data will be on an anonymous basis.

The Recruitment Monitoring Information Form can be found in **Appendix G**

5.3.3 Acknowledgement

Due to limited resources and the large number of applications often received, only shortlisted candidates will be notified of the outcome of their application.

5.4. Shortlisting

Shortlisting will take place as soon as possible after the closing date. Shortlisting will be undertaken by the selection panel normally consisting of at least two individuals (three in the case of Headteacher and Senior Leadership panels). At least one member of all selection panels will have undertaken the required Safer Recruitment Assessment.

See **Appendix H** for more information and shortlisting template.

5.4.1 Invitation to interview

Once the shortlist has been decided the shortlisted candidates will be notified as soon as possible. Invitation to interview will be confirmed in writing or email. Adequate time should be allowed between invitation and interview to allow for pre-employment checks to take place and to allow candidates adequate time to prepare for their interview.

The invitation to interview letter/email should include asking whether the candidate has any special requirements to enable them to participate in the process.

See **Appendix I** for a model invite to interview letter and **Appendix I(i)** for the SD2 form

5.4.2 Requesting references

References will be taken up on all short-listed candidates, prior to interview.

5.5 Selection process

The selection process will, as a minimum, consist of a face to face interview even where there is only one candidate and including for internal appointments, promotions and volunteers.

Where appropriate, the selection process may include additional activities such as in-tray exercises, group activities, presentations, pupil panels or observed assemblies/teaching.

The table at **Appendix J** outlines exercises that could be used as part of a selection process. Candidates will be informed which of the exercises will be used in the selection process.

The process will assess the merits of each candidate against the job requirements (i.e. job description and person specification), and explore their suitability to work with children. In accordance with the Equality Act 2010, the interview panel should not ask general questions about the individual's sickness and attendance record but may ask relevant questions to establish whether the applicant will be able to carry out a function that is intrinsic (e.g majority of the work involves manual handling) to the work concerned once reasonable adjustments are in place where appropriate.

Full details of the selection process (i.e. details of the interview and any additional selection exercises) will be notified to the applicant in the invitation to interview letter. Applicants will also be notified of the need to bring appropriate documentary identification to the interview which is required for the pre-employment checks.

5.5.1 Interview Expenses

Reasonable travel costs to and from interview will not normally be reimbursed. A claim form can be requested

5.6. Employment Offer

The choice of candidate will be determined by the majority view from the interview panel. The panel may identify a first and second choice candidate.

The successful applicant will be advised that they are the preferred candidate. A firm offer cannot be made until all pre-employment checks have been completed. A conditional offer may be made pending DBS clearance (and/or a disqualification waiver being provided by Ofsted where relevant).

The preferred candidate should sign a DBS consent form which informs them of the requirement to produce the original DBS certificate if they have a DBS certificate which meets the portability criteria (see 10.3.1 in the Pre-Employment Checks Procedure) or in the event of a positive DBS disclosure where the school is carrying out a new check. This consent form also gives consent for the DBS certificate to be copied and shared (within strict guidelines) for the purposes of considering suitability for employment.

The consent form also seeks consent for an online status check to be carried out in the event that the preferred candidate subscribes to the DBS update service

The DBS consent form is attached as **Appendix K**

If the preferred candidate accepts the offer/conditional offer verbally a contract is formed and a provisional start date can be agreed. Offers will be confirmed in writing.

See **Appendix L** for conditional offer and firm offer model letters and **Appendix M** for the Fitness To Work Declaration

Once all pre-employment checks have been satisfactorily received, a firm offer of employment will be made and the contract of employment will be issued. The contract will be issued as soon as possible but in all circumstances within 8 weeks of employment commencing.

Full guidance on pre-employment checks, including assessing suitability in the event of a positive DBS disclosure or a positive disclosure on the Disqualification Declaration Form (where relevant), is contained in the Pre-employment Checks Procedure.

If the preferred candidate does not accept the post, the panel will consider the option of contacting the second choice candidate. This will only be done where this candidate meets the criteria for the role.

Unsuccessful candidates will be advised accordingly. All candidates will be offered feedback on their interview/selection.

In the case of both Headteacher and Senior Leadership appointments, it is a statutory requirement for the Trust Board (for Headteachers) and under delegation from the Trust Board, the Local Governing Body for Deputy Senior Leaders, to approve the recommendation of the selection panel that their chosen candidate be appointed.

5.7. Induction and Probation

5.7.1 Induction

All Teaching Staff in maintained schools who qualified after 7th May 1999 are required to have satisfactorily completed their statutory induction period, or, if they are a Newly Qualified Teacher, are subject to the requirement to complete the statutory induction period.

Statutory induction is not a legal requirement to teach in an academy but an academy can choose to make this a requirement

All new employees, internally promoted staff and volunteers will be provided with an induction program, which will seek to ensure that they are clear about their job and feel secure about what they should be doing. Any training and development needs will be identified and supported appropriately.

See **Appendix N(i)** for more information and **Appendix N(ii)** for Induction Checklist.

5.7.2 Probation

A probationary period applies to all newly appointed staff, except those Newly Qualified Teachers to whom the Teachers' Statutory Induction Period is applied.

5.8 Record Retention/Data Protection

5.8.1 Selection Records

Interview notes on all applicants will be retained for a 6 month period, after which time, these records will be destroyed (i.e. shredded). The 6 month retention period will allow the Trust and its schools to deal with any data access requests and respond to any complaints raised at an Employment Tribunal.

Under the Data Protection Act 1998, applicants have a right to request access to notes written about them during the recruitment process. Applicants who wish to access their interview notes must make a subject access request in writing to the Headteacher within 6 months from the date of interview.

5.8.2 Personal File Records

For the successful candidate, the following information will be retained and will make up part of the employee's personal file:

- Application form

- SD2 (until DBS clearance is received, at which point SD2 should be removed and destroyed)
- Proof of identity
- Evidence of right to work in the UK and any supporting documents
- Proof of academic qualifications
- Certificate of good conduct (if applicable)
- Evidence of medical clearance (from the Occupational Health Centre)
- DBS consent form (until DBS clearance is received, at which point form should be removed and destroyed)
- Evidence of the DBS or online status check (eg DBS certificate number and date but not details of the content on the certificate)
- Evidence of Teachers' barred List check (staff teaching only)
- Evidence of Completion of Statutory Induction (Teachers only where applicable)
- Disqualification risk assessment form and any disqualification waiver documentation (where applicable)

6. Engaging Volunteers

The Trust and its schools values the contribution that volunteers make to its community and recognises the positive impact they can have on pupils' learning, experiences and wellbeing.

Volunteers are seen by children as safe and trustworthy adults and the same high standards of safer recruitment principles and processes are applied to volunteers as are applied to paid staff.

New volunteers undertaking Regulated Activity must be DBS checked - details of what constitutes Regulated Activity and guidance on what is not a Regulated Activity because it is done on a voluntary basis **and** is supervised are in the Pre-employment Checks Procedure. It is important to refer to this guidance as there is specific DfE Statutory Guidance on supervision.

Schools can choose to DBS check volunteers who are not undertaking Regulated Activity (in such cases a Barring List check will not be done). We recommend that all volunteers complete an SD2 form regardless of whether they will be undertaking Regulated Activity – see section 6.4 below.

6.1 Interviewing Volunteers

Volunteers will be asked to have a discussion with the headteacher or other manager prior to commencing their role. This will not be a formal interview but will provide:

The school with:

- an opportunity to explain the workings of the school and how volunteers fit into that;
- time to ask volunteers for the factual information needed to make a successful placement including any safeguard checks;
- the opportunity to explore their suitability to work with children, including their motivation to work with children and their ability to form and maintain appropriate relationships and personal boundaries;
- an opportunity to determine whether any special health, safety and welfare criteria need to be met.

The volunteer with:

- the opportunity to find out more about the nature of the work;
- information to decide how best they can make a contribution, using their skills and experience;
- how much time they want to commit.

6.2 Application Forms

Volunteers may be asked to complete a basic application form. This provides the information necessary to undertake safeguard checks and to give a picture of the skills and experience the volunteers brings to maximise their contribution and the volunteers own fulfilment in the assigned activities.

See **Appendix O(i)** for an volunteer application form.

6.3 Role Profiles

Volunteers will be given clear and simple description of the roles and boundaries of the voluntary activity.

See **Appendix O(ii)** for a model role profile

It is acknowledged that by its very nature, volunteering does not place the same obligations on an individual in terms of attendance etc. as a paid employee. However, it is very much hoped that volunteers will fulfil their commitment as agreed between themselves and the school - this includes consistent attendance and undertaking the agreed tasks. Volunteers will be provided with an information sheet and may be asked to sign a voluntary agreement as clarification of the commitment they are making to the school and visa versa.

See **Appendix O(iii)** for example Volunteer Information Sheet and **Appendix O(iv)** for example voluntary agreement.

6.4 Safeguarding checks

Certain safeguard checks must be undertaken on volunteers. These vary according to the frequency of the work.

More details on safeguarding checks and what constitutes Regulated Activity can be found at Appendix 6 of the Pre-Employment Checks Procedure.

6.4.1 Self-Disclosure form(SD2) and Disclosure and Barring (DBS) checks

All volunteers will be required to complete a self-disclosure of criminal records and those undertaking Regulated Activity will also be required to have a DBS and Barring List check and complete a DBS consent form.

Where no DBS check is undertaken (for volunteers not undertaking Regulated Activity) it will clearly not be possible to check the information given against a DBS check outcome. In these cases the SD2 should be scrutinised using the guidelines for making a decision to engage (in the Pre-employment Check Procedure). Once this has been done a note should be made that an SD2 was checked and the SD2 form destroyed.

Clearly there is no way to ascertain whether an individual has declared all relevant information but the requirement to complete the form may act as a deterrent

NB It is illegal for anyone who is barred from working with children to apply for, or work (including volunteering) in a school to undertake Regulated Activity.

6.4.2 References

At least one reference will be required for all new volunteers undertaking Regulated Activity.

6.5 Induction, information and training

All new volunteers will undertake a suitable induction programme. This may involve discussions with staff and some reading – for which assistance can be provided as necessary. It is essential that volunteers are familiar with key policies including the Code of Conduct, behaviour management, safeguarding and health and safety policies. On-going guidance and training will be provided for volunteers that are relevant to the voluntary activity in which they are engaged, including the safe use of any work equipment, safe working environment etc.

7. Agency and other workers

It is expected that the same standards of safer recruitment will be applied by external bodies providing workers or volunteers to the school.

External bodies will be required to provide written confirmation that relevant safer recruitment and other relevant pre-employment checks have been undertaken and this will be recorded on the Single Central Record.

More details on safeguarding checks can be found at Appendix 6 of the Pre-Employment Checks Procedure.

All workers and volunteers will be required to provide evidence of their identity when first arriving on the premises and to sign in on each visit.

All workers and volunteers will be provided with an induction into key policies and procedures and expects everyone to comply with these.

Appendix A

Recruitment and Selection Policy Statement

1. The Trust Board and its Local Governing Bodies are committed to:
 - safeguarding and promoting the welfare and safety, and the spiritual, moral, social and cultural development, of children and young people;
 - promoting equality of opportunity and community cohesion where the diversity of different backgrounds and circumstances is appreciated and positively valued;
 - promoting the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance for those with different faiths and beliefs.

and expects all staff, volunteers and other workers to share this commitment. It is recognised that this can only be achieved through sound procedures, good inter-agency co-operation and the recruitment and retention of competent, motivated employees who are suited to, and fulfilled in the roles they undertake.

2. The Trust Board and its Local Governing Bodies recognise the value of, and seek to achieve a diverse workforce which includes people from different backgrounds, with different skills and abilities. We are committed to ensuring that the recruitment and selection of all is conducted in a manner that is systematic, efficient, effective and promotes equality of opportunity. Selection will be on the basis of merit and ability, assessed against the qualifications, skills and competencies required to do the job. We will uphold obligations under law and national collective agreements to not discriminate against applicants for employment on the grounds of age, sex, sexual orientation, marital status, disability, race, colour, nationality, ethnic origin, religion or belief.
3. We will implement robust recruitment procedures and checks for appointing staff and volunteers to ensure that reasonable steps are taken not to appoint a person who is unsuitable to work with children, or who is disqualified from working with children, or does not have the suitable skills and experience for the role.
4. We will ensure that the terms of any contract with a contractor or agency requires them to adopt and implement measures described in this procedure. We will monitor the compliance with these measures and require evidence that relevant checks have been undertaken for all workers deployed.
5. The following pre-employment checks will be required:
 - receipt of satisfactory references*
 - verification of the candidate's identity
 - a satisfactory DBS disclosure if undertaking Regulated Activity
 - verification that you are not on the DBS Children's barred list and therefore not barred from working with Children (where applicable)
 - verification that you are not prohibited from teaching (where applicable)
 - verification of the candidate's medical fitness
 - verification of qualifications
 - verification of professional status where required e.g. QTS status
 - the production of evidence of the right to work in the UK
 - verification of successful completion of statutory induction period (applies to those who obtained QTS after 7 May 1999)
 - (for applicable school settings and for roles covered by the Regulations only) a declaration that you are not disqualified from working with children by virtue of the Childcare (Disqualification) Regulations 2009 or that you have provided a disqualification waiver from Ofsted.

NB It is illegal for anyone who is barred from working with children to apply for, or undertake Regulated Activity.

*In exceptional circumstances, where you have good reason not to want your referees to be contacted prior to interview, you should set out your reasons with your application form. Where it is agreed to defer, referees will be contacted immediately after interview before an offer of employment is made.

6. We will keep and maintain a single central record of recruitment and vetting checks, in line with the DfE requirements.
7. All posts/voluntary roles that give substantial unsupervised access to children and young people are exempt from the Rehabilitation of Offenders Act 1974 and therefore all applicants will be required to declare spent and unspent convictions, cautions and bind-overs (save for those offences that are subject to filtering by the Police).

Applicants will be required to sign a DBS consent form giving consent for the DBS certificate to be copied and shared (within strict guidelines) for the purposes of considering suitability for employment and consent for an online status check to be carried out in the event that the applicant subscribes to the DBS update service

The Trust Board and its Governing Bodies are committed to ensuring that people who have convictions / cautions / reprimands on their record are treated fairly and given every opportunity to establish their suitability for positions. Having a criminal record will not necessarily be a bar to obtaining a position, except in the case of school settings covered by the Childcare (Disqualification) Regulations 2009 where certain convictions, cautions or warnings will mean an individual is disqualified from working in that setting and will prohibit employment at a school (unless a waiver can be obtained from Ofsted).

Positive disclosures will be managed on a case by case basis taking into account the nature, seriousness and relevance to the role. The following factors will be considered in each case:

- The seriousness/level of the disclosed information eg was it a caution or a conviction.
- How long ago did the incident(s) occur?
- Whether it was a one-off incident or part of a repeat history/pattern.
- The circumstances of the offence(s) being committed and any changes in the applicant's personal circumstances since then.
- The country where the offence/caution occurred.
- Whether the individual shows or has shown genuine remorse.
- If the offences were self-disclosed on the SD2 form or not (non-disclosure could, in itself, result in non-confirmation of employment on the grounds of trust, honesty and openness).

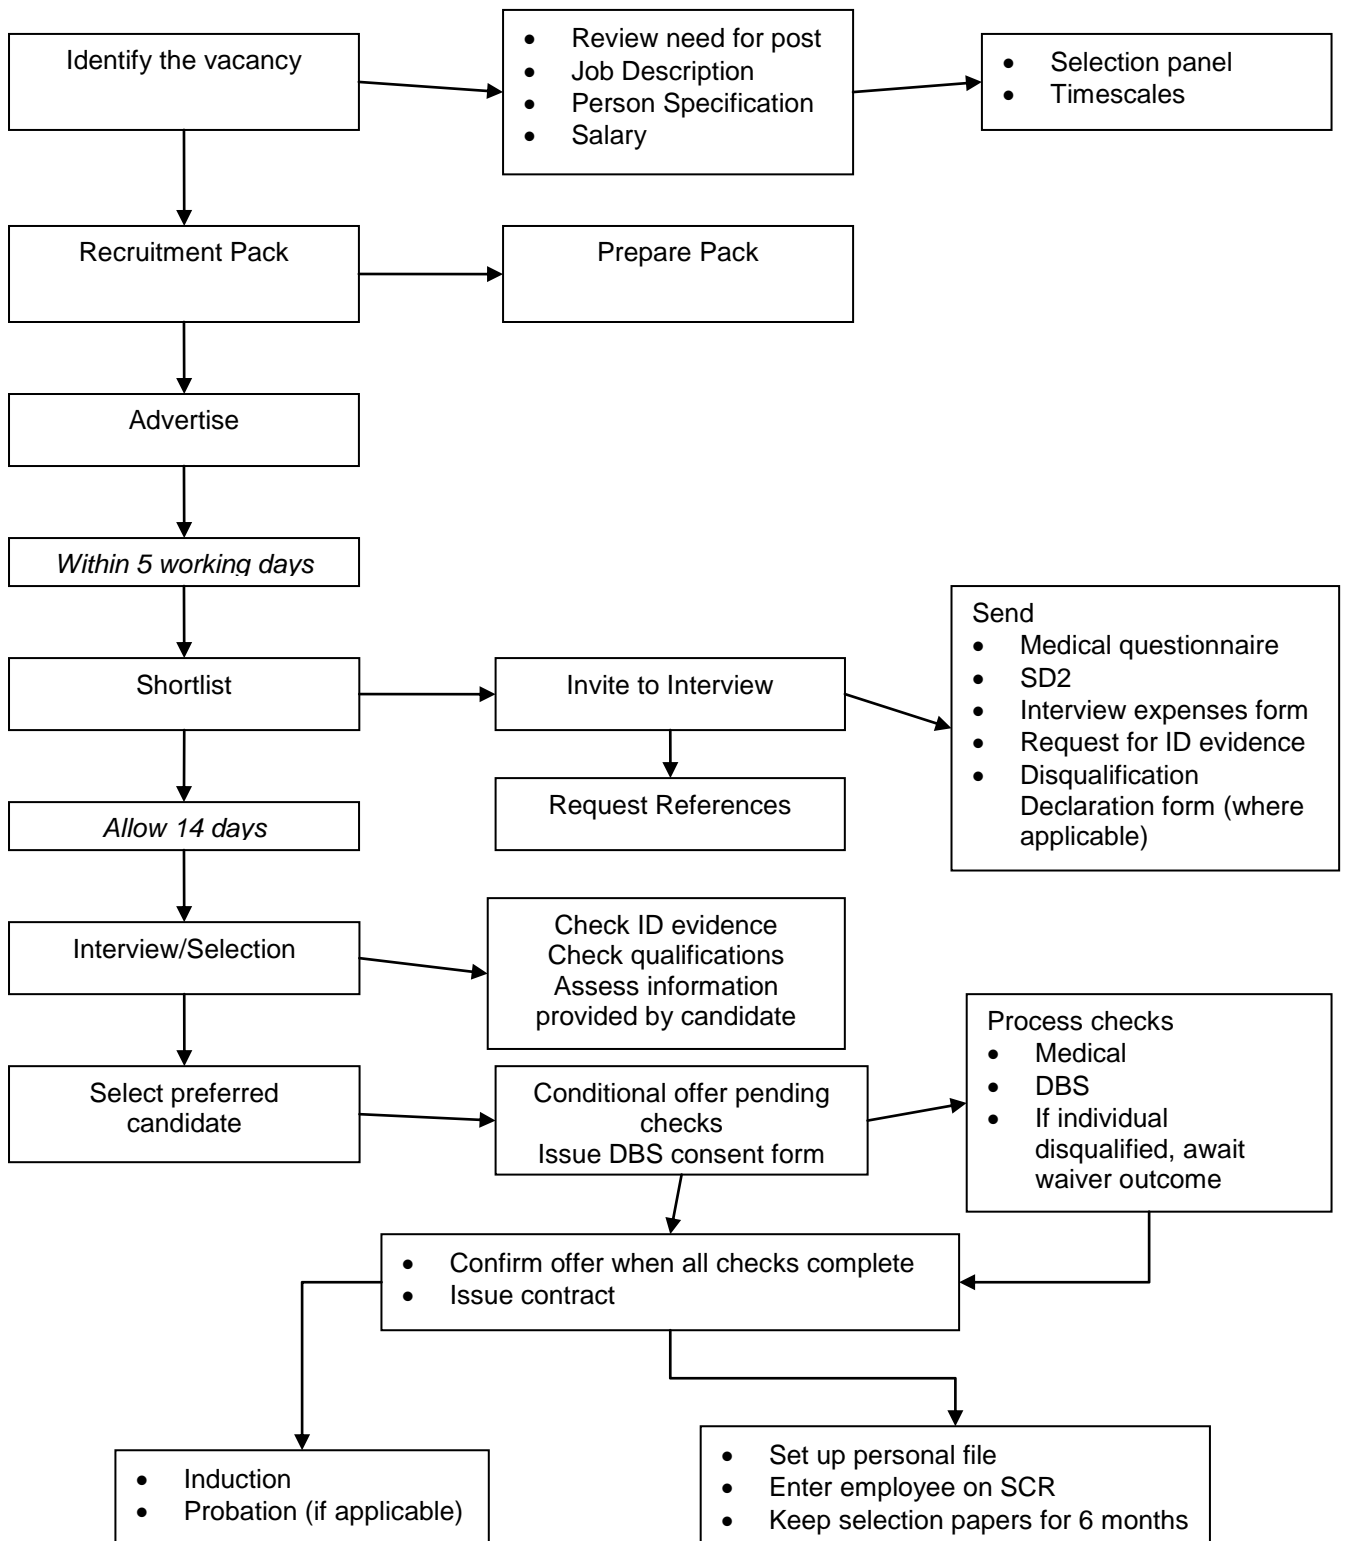

When making a recruitment decision the recruitment panel will disregard any filtered convictions/cautions/reprimands which were disclosed in error.

A previously issued Disclosure and Barring Service Certificate will only be accepted in certain restricted circumstances or where you subscribe to the DBS update service and the appropriate checks have been satisfactory.

The Disclosure and Barring Service has published a Code of Practice and accompanying explanatory guide. This Trust is committed to ensuring that it meets the requirements of the Disclosure and Barring Service in relation to the processing, handling and security of Disclosure information.

A copy of our Recruitment Procedure is available upon request.

Appendix C(i) Job Descriptions

The Job Description should define the purpose, the scope and the principal duties and responsibilities of the role. It provides a framework which outlines the expectations, both for the employee and the employer, and forms part of the working agreement. Job descriptions also include information about working conditions, tools, equipment used, knowledge and skills needed, and relationships with other positions.

The job description should also include a safe recruitment statement

The Trust Board is committed to safeguarding and promoting the welfare of children and young people, and expects all staff and volunteers to share this commitment.

For new support staff posts that do not match the model job descriptions, the school should seek a job evaluation before the recruitment process begins in order to assess the correct grade for the post.

Appendix C(ii)

Model Person Specification (Support Staff)

The person specification will require careful thought and drafting. It sets out the qualifications, experience, skills, knowledge and personal characteristics required to undertake the job. It is a very important document and should be used throughout the recruitment process to develop the advert, shortlisting and selection criteria. There should be no requirements which are not clearly related to duties, there should be no unnecessary conditions or standards, nor use of words which imply a bias of any kind which are not justifiable. Criteria should be job related and ability-based. The person specification should only request genuine and justifiable requirements that give equality of opportunity for all, for example, asking for a specific number of years experience may discriminate against younger applicants.

The skills, qualities, qualifications and knowledge detailed in the person specification will assist the manager to compile the advert, to shortlist and then to interview by providing selection criteria against which candidates skills, etc. can be compared and assessed.

The person specification will enable prospective applicants to assess themselves for the job and provides a benchmark for judging achievements.

The criteria required of the ideal candidate and the format of the person specification may vary, but typically would include:

Experience	the experience required to perform the role outlined in the Job Description, including in relation to working with children.
Qualifications	the qualifications required to undertake the role.
Skills / Knowledge	the competences and qualities that the successful candidate should be able to demonstrate;
Aptitudes	specific requirements of the job, e.g. ability to lift heavy weights, ability to work with specific groups of children.

The person specification should also contain the schools recruitment and selection policy statement.

The Trust Board is committed to safeguarding and promoting the welfare of children and young people, and expects all staff and volunteers to share this commitment.

Appendix E

Advertising

1. The following illustrates best practice in terms of advertising teaching and support staff posts. The School Workforce Development Team can advise on advertising and their section on the Infolink gives details of how to place advertisements in a number of publications including JobScene via the website www.essexschoolsjobs.co.uk.

1.1 Teachers

When to advertise – at the beginning of a term rather than at the end of a term. Consideration should be given to notice periods and to setting timescales which allow enough times for candidates to respond and for pre-employment checks to be completed.

Where to advertise – Times Education Supplement, Job Scene, Church Publications if applicable, on school website.

Style of advertisement – the cost and layout of various styles can be found in the appropriate advertising company's booklet.

1.2 Support Staff Employees

When to advertise - because there are different resignation dates for support staff employees, adverts can be placed at any time. However, for practicality it is advisable not to advertise immediately prior to a school closure period.

Where to advertise – It will be dependant upon the scale/hours of the post and type of contract. It is important to remember the equal opportunities issues and that the wider the field of applicants, the more likely the school will get the best person for the job. Posts can be advertised on staff notice boards, school newsletters, Jobscene (Essex County Council Job publication), local/national newspapers and/or church publications where relevant and TESSupport (which is free to use).

Style of advertisement – adverts should be clear and concise, providing basic information that will enable a prospective candidate to decide whether to request further information.

2. Advertisement content

Details from the job description and person specification should form the basis of the advert. It is recommended that the following information be included in an advert, as applicable:

- The job title, grade/salary and location
- Duration of the appointment (where applicable) and reason, if fixed term.
- Brief details of the department/school's profile
- A summary of the key duties and requirements of the post in terms of knowledge, skills, qualifications and experience
- The application procedure, contact details and closing date for receipt of applications
- The interview date
- The Trust's safe recruitment statement
- A brief statement that the school is part of the LIFE Education trust and all of its staff are employees of the Trust.
- If appropriate reference to the availability of relocation expenses.

3. Wording for Adverts

It is important to ensure that wording is relevant and non-discriminatory. In line with The Equality Act 2010 it is important to avoid using words such as 'young' or 'mature', specifically asking for a male or female applicants or requiring a certain number of years experience unless such criteria can be objectively justified as a genuine requirement for the role.

Appendix H Shortlisting

All application forms should be scrutinised by the interview panel to ensure that they are fully and properly completed; that the information provided is consistent and does not contain any discrepancies, and to identify any gaps in employment. Incomplete application forms should not be accepted and should be returned for completion or checked with the candidate.

Any anomalies, discrepancies or unexplained gaps in employment identified should be noted and where the applicant is shortlisted, should be discussed at interview. As well as reasons for obvious gaps in employment, the reasons for a history of repeated changes of employment without any clear career or salary progression, or a mid career move from a permanent post to supply teaching or temporary work, also need to be explored and verified.

All candidates should be assessed equally against the criteria contained in the Person Specification without exception or variation. A consistent approach in assessing the applicant's details against the selection criteria will help ensure fairness and avoid discrimination. The reasons for not shortlisting should be clear and objective, so that should an unsuccessful candidate request feedback from the panel it will be possible to show how the decision was reached.

Where possible, shortlisting should be arranged within 5 working days of the closing date for the advertisement.

SD2 Notes of Guidance

1. Under the Criminal Justice & Courts Services Act 2000 it is an offence for an individual who has been disqualified from working with children to knowingly apply for, offer to do, accept or do any work in a 'regulated position'.
2. As the post for which you are applying is one that will give you substantial unsupervised access to children and young people it is covered by The Rehabilitation of Offenders Act 1974 (Exceptions) Orders from time to time enacted and in force. You are therefore required to disclose 'spent' as well as 'unspent' criminal convictions, cautions or reprimands or bind overs and any pending prosecutions against you in line with the requirements below.
3. You must declare the following:
 - Cautions given less than 6 years ago (where you were over age 18 at the time of caution)
 - Cautions given less than 2 years ago (where you were age under 18 at the time of caution)
 - Any convictions, whenever they occurred, relating to an offence from a prescribed list available from: <https://www.gov.uk/government/publications/dbs-list-of-offences-that-will-never-be-filtered-from-a-criminal-record-check> or from your school office.
 - All convictions that resulted in a custodial sentence (regardless of whether served and whenever they occurred).
 - Where you have more than one conviction all convictions must be declared.
 - Other convictions given less than 11 years ago (where you were over age 18 at the time of conviction)
 - Other convictions given less than 5.5 years ago (where you were under age 18 at the time of conviction)
4. The information you provide (by completing the form) will be treated as strictly confidential and will be considered only in relation to the post for which you are applying.
5. Disclosure of a conviction, caution, reprimand, bind over or pending prosecution does not necessarily mean that you will not be appointed; a person's suitability will be looked at as a whole in the light of all the information available, and in accordance with the Trust's policy on the employment of ex-offenders, a copy of which can be obtained from the School. A main consideration will be whether the offence is one which would make a person unsuitable to work in the capacity of the post applied for. If you disclose information which you are not required to, this will be disregarded. Any information provided which is not relevant to employment will be disregarded
6. A conviction includes:
 - a. A sentence of imprisonment, youth custody or in a young offenders institution;
 - b. An absolute discharge, conditional discharge, bind over;
 - c. A fit person order, a supervision or care order, a probation order or community punishment order or an approved school/academy order arising from a criminal conviction;
 - d. Simple dismissal from the Armed Forces, cashiering, discharge with ignominy, dismissal with disgrace or detention by the Armed Forces.
 - e. Detention by direction of the Home Secretary;
 - f. Remand centres, secure training centres or in secure accommodation;
 - g. A suspended sentence;
 - h. A fine or any other sentence not mentioned above.
7. A caution is a formal warning about future conduct given by a Senior Police Officer, usually in a Police Station, after a person has admitted an offence. It is used as an alternative to a charge and Positive Prosecution.
8. A Reprimand has replaced a Caution for young people under 15. A young person given a second formal warning about future conduct is then given a formal warning.
9. A Bind over is an order which requires the defendant to return to Court on an unspecified date for sentence.
10. Driving offences must be declared unless excluded by the criteria in 3. above.
11. Failure to disclose convictions, cautions, reprimands or bind overs and any pending prosecutions may, in the event of employment result in dismissal or disciplinary action by the Trust.

As the post for which you are applying falls within the category for which a criminal record disclosure is required, if you are selected for appointment, you will be required to apply for an enhanced Disclosure & Barring Service (DBS) disclosure. A refusal to make such an application could prevent your employment.

Appendix N(i) Induction

Once an employee commences work it is important to initiate an effective induction process which will mean that new staff are clear about their job and feel secure about what they should be doing. They should be informed about the aims and values of the trust/school and how they can contribute to its mission.

Anyone who is new to a job will have some gaps in their knowledge and skills, which will need to be identified and supported. If their training and development needs are taken into account and they are well supported with clear information they will quickly get 'up to speed' and begin to make a real contribution to the role.

If induction is poorly planned and executed a new member of staff will take longer to learn the job and to become effective, make more mistakes than necessary and become disillusioned with the job and the trust/school.

As part of the induction and/or probation period for new employees, their attitude and behaviour towards children should be monitored. It is important to ensure that new employees understand and abide by the Trust's policies and follow guidance given by experienced and senior staff.

It is important to ensure that induction training for all new staff includes training on safeguarding children that will enable them to fulfil their responsibilities in respect of child protection effectively, and that suitable refresher training to keep staff knowledge and skills up to date is also available. It is also important to ensure the employee has a good understanding of acceptable and appropriate conduct with pupils, and is made aware of the trust's confidentiality and code of conduct policies.

For Safeguarding and to promote the welfare of children the induction programme should also include information about, and written statements of:

- Policies and procedures in relation to safeguarding and promoting welfare e.g. child protection, anti-bullying, anti-racism, physical intervention or restraint, intimate care, internet safety and any local child protection and safeguarding procedures,
- Safe practice and the standards for conduct and behaviour expected of staff and pupils in establishment (Code of Conduct);
- How and with whom any concerns about those issues should be raised; and
- Other relevant personnel procedures e.g. disciplinary, capability and whistleblowing.

The programme should also include attendance at child protection training appropriate to the person's role.

All new staff should be made aware of the content of all trusts policies and procedures. It is advisable to list all the essential policies/procedures on an induction checklist or similar (see Appendix Lii) which the employee signs thereby confirming that they have been made aware of and have read these key documents.

Appendix O(iii) Information for Volunteers

Welcome to {inset name of establishment}}. We would like you to know that we greatly value the time volunteers give. Volunteers are a great asset to the team and can play an important role by offering commitment, energy and enthusiasm to a wide range of activities, both inside and outside the classroom.

As volunteers will be in a position of trust we expect them to maintain strict confidentiality at all times in accordance with the confidentiality policy.

We are committed to providing a safe environment and expect all staff and volunteers to share in this commitment. All education trusts/schools have a statutory duty to safeguard and promote the welfare of the children in its care. Safeguarding is about protecting children from abuse or neglect, preventing impairment of their health and development, and ensuring they are growing up in circumstances that enable children to have optimum life chances and enter adulthood successfully.

It is illegal for anyone who is barred from working with children to apply for, or work/volunteer to undertake Regulated Activity.

We will carry out other safeguard checks on volunteers. You will be asked to supply us with a reference(s), proof of identification and to complete a self-disclosure form (SD2).

Optional wording for where duties to be carried out by the volunteer are covered by the Childcare (Disqualification) Regulations 2009

This voluntary role is covered by the Childcare (Disqualification) Regulations 2009 and you will be asked to complete and return a Disqualification Declaration Form. This is a self-declaration form and you must complete the information to the best of your knowledge. It can be sealed in the same envelope as the SD2 form. Please be aware that the trust/school reserves the right not to allow you to volunteer in the event that you are disqualified from working in the school under the Regulations.

A full Disclosure and Barring Service (DBS) check and a signed DBS consent form giving consent for the DBS certificate to be copied and shared (within strict guidelines) for the purposes of considering suitability for the voluntary role will be required for volunteers undertaking Regulated Activity and may be required for those not undertaking Regulated activity.

The consent form also seeks consent for an online status check to be carried out in the event that the applicant subscribes to the DBS update service

We would invite volunteers who are to work regularly to be interviewed. This is an opportunity to explain the workings of the trust/school and how we could best benefit from your skills and also provide an opportunity for you to ask any questions.

All new volunteers will undertake an induction programme, and on-going training will be provided wherever relevant to the activity in which the volunteer is engaged, including the safe use of any work equipment, etc.

As part of the induction you will be asked to familiarise yourself with key policies and procedures particularly those on:

- Safeguarding and child protection
- Equality and Diversity Policy
- Health and Safety.
- Behaviour Management

- Code of Conduct (including confidentiality)

You will be assigned a key link person who you can go to if you have any concerns or queries about any matter. Volunteers, like all staff, are expected to report to their link person any issues, whether they experience them or witness them, which they feel concerned about.

Whilst we appreciate the voluntary nature of your commitment, for the smooth operation of the trust/school and to minimise disruption for pupils, we do ask all volunteers to fulfil their commitment as agreed between themselves and the trust/school. . This includes consistent attendance where that is a requirement of the voluntary activity and undertaking the agreed tasks. Volunteers are provided with a Role Profile setting out the key duties of the role and will be asked to sign Volunteer Agreement confirming their acceptance of the commitment
