

Benhurst Primary School

Picture & Video Consent and Release Form

'Only my best is good enough for me'

Name of Child	
Name of Parent/Guardian	
Address	

We are hugely proud of our children's work and regularly celebrate their successes by taking pictures and short educational videos which are used for displays, the school website (www.benhurst.havering.sch.uk), You Tube (Benhurst Primary School) Twitter (@BenhurstPrimary) and the local paper (usually The Romford Recorder).

We also work closely with SMART Technologies who regularly visit the school and take photographs and short videos for advertising, publicity and commercial purposes.

The copyright of photographs and videos remain with the school and the London Borough of Havering.

This form provides the school with your permission to take and use photographs and short videos of your child to showcase their academic work, sporting activities or other areas of excellence. Please note, we only use children's first names in pictures or short films.

During school activities (school plays, sports days, football matches etc.) there may be the possibility that your child will be included in photographs taken by other parents. The school requests that no photographs or videos taken by parents and carers and posted on the internet (including social media websites) and they respect the privacy of others.

Thank you for your support with this matter.

I give permission to the school to take and use photographs and short videos of my child to showcase their academic work, sporting activities or other areas of excellence as outlined above.
