Monday 23rd March 2020

Dear Parent/Carers,

Google Classroom

As a school, we wish to continue to support your child/children's education through these unprecedented times.

At Benhurst we already have in place Google Classroom and SMART Learning Suite Online (SLAO) logins for every child, these are usually used to their full effect from Year 3 upwards. However, we are sharing with parents of every child, their child/children's log in details as these will enable you/your child to access learning from home.

Furthermore, it opens up a direct contact with year group teachers. Any comment which you or your child put on the stream will be accessible to everyone in that year group and should only be used for general enquiries and not anything personal.

Children's work can be reviewed by classroom teachers and feedback given directly to the child/parent.

Your child's personal log in and password is detailed below, please do not share these with anyone else.

INSERT FROM SPREADSHEET

If your child has not already joined a virtual classroom their year group code is detailed below:
Please insert year group code

I have attached a help sheet explaining how to access learning in Google Classroom. I hope that this will help you to support your child.

Yours sincerely

Mrs McCarthy
Benhurst Primary School
