Monday 16th March 2020

Dear Parent/Carers,

Mastery Maths, Manipulatives Morning

We pride ourselves at Benhurst on the way in which we use technology to underpin all areas of the curriculum. As part of our Maths Mastery teaching we use SMART slides with manipulatives to support the children's understanding across the school and to make the link between concrete and pictorial resources.

We are sharing these resources on our school website using a link which your child can access at home using their Google login.

Therefore, we would like to invite all children's parents to attend a session on Tuesday 24th March 2020 from 9:00 a.m. until 9:45 a.m. where we will demonstrate how you can use these resources which we have created to support your child's learning

If you are able to attend then please click the link below and complete the Google Form. Please be aware that places are limited and once we have reached the maximum number the form will be closed.

https://docs.google.com/forms/d/1-9IPmZzg8d_yKsj16m80UzhhNfoFNmn1knAzcKKG1FU/edit?usp=sharing

I would like to take this opportunity to thank you for your continued support.

Yours sincerely

Mrs McCarthy and Miss Bergasse
Benhurst Primary School
