Tuesday 23rd June 2020

Dear Parents and Carers,

Summer homework

As you will know, we do not usually set home learning over the summer holidays - it is nice for the children to be able to spend quality time with their family and friends and some are lucky enough to go on holiday. However for many people, this summer may be very different. We also know that some parents and children would like to spend some time over the summer holidays working on key areas of their learning.

In offering summer homework, I must also be mindful that our teachers deserve time with their family and time away from school and must return in September refreshed and ready for the likely return of our children. With this in mind, we will not be active on Google Classroom during the summer holidays.

Please follow the link below if you would like the school to purchase CGP learning books for your child. This must be completed by Tuesday 30th June in order for the school order to be processed and delivered in time and will be fully funded by the school. Your class teacher will select the books which are best suited to your child's ability.
