Dear Parents / Carers,

As you may be aware the Government have provided schools with funding to support pupils to catch - up lost time following the school closures last academic year. Some of this funding has been allocated to enable us to offer small group reading tuition to identified pupils and your child has been selected to receive this tuition.

Our tuition will be provided by a tutor partner called Protocol Education. In January, the selected children will receive 1 hour of small group tuition during the school day for a period of 15 weeks led by a tutor provided by Protocol Education.

I have attached a letter and privacy notice from Protocol Education which provides further details and explains how to opt out of your child's data being shared should you wish.

Please do let me know if you have any further questions.

Yours Sincerely,

Katherine Hart
Head teacher
