Abacus After School Club

Introduction

Abacus is available to all children at Benhurst School. We aim to provide a caring, safe environment for your child through individual attention and group activities. We like to encourage a child to play socially, with respect, kindness and consideration for others. Abacus offers a service equal to every child, regardless of age, culture or need. We are very proud to announce that all our settings are graded Outstanding by Ofsted.

Times of opening

We are open Monday to Friday after school until 6.00pm. This is term time only and does not include the school inset days. We also run a Breakfast Club which is from 7.45am until the start of the school day.

Staff

All staff have completed the checks required by Ofsted. There will always be a First Aider on site.

Food

The children are offered a healthy snack every night. These include wraps, sandwiches, beans on toast and there is always a selection of fruit or vegetables. All children's dietary requirements are considered, and an alternative is always available. A menu will be on display for parents to see.

Breakfast Club

At the Breakfast Club we have a variety of table top games, allowing the children to start the school day in a calm environment. We open early until the start of the school day, term time only. We offer a healthy breakfast, once you have registered your child then you can use the breakfast club as and when required. This may be daily or one off. We can help for doctors' appointments or an early start to the shops.
