

Dear Parent/Carers,

Thank you all for the great response to the planned Year 6 leaving disco that we are arranging. I have spoken with the venue this week and they have confirmed that as long as the roadmap out of lockdown remains on track the event will go ahead as planned.

We are now asking for a payment of £20 per child to be paid by no later than 1 April 2021. This deposit will be non-refundable unless for any reason the event is cancelled due to covid and we receive a full refund from all of the suppliers booked. We appreciate that this may be concerning to some but if we do not start booking suppliers now, we run the risk of everything being fully booked by the time we know for sure and we hope that you will all feel the same as us and want this event to be the biggest and best for our children after such a challenging year for them and after they have missed out on so much over the last year.

Because of Covid the money will need to be paid by bank transfer to limit the risk of potentially spreading the virus.

Please can you send your payment to:

We are hoping to have on the evening a photographer and photobooth could you please complete the authorisation form below stating whether you are happy for your child to be photographed or their photographs shared on any social media platforms or not.

On the evening there will be limited space to facilitate parents staying in the function suite but we would appreciate if any child has any medical conditions, allergies or food allergies that the parent stay in the bar area downstairs so that they are on hand should their child need any medication. Please feel free to discuss these issues with us.

Finally, we would appreciate it if you could fill in the parent/carer contact details below and return these to us before the event.

Many thanks

Carly, Sam and Vicky (Freddie & Ava's mums of class 6H and Karys' mum of class 6B)
