Wednesday 5<sup>th</sup> May 2021.

Dear Parents and Carers,

Throughout the Summer term, we are learning all about Dinosaur Planet. This topic involves lots of making and creating opportunities as well as learning more about the dinosaurs.

As part of our Develop learning, the children will be creating their very own Sockasaurus Rex hand puppet. This is an activity which has been thoroughly enjoyed in previous years. For this activity, each child will require a brightly coloured sock; this can be any sock they choose, either plain or patterned. We will be researching, designing, making and then evaluating our creations over a number of lessons. To create our Sockasaurus Rex, we will be using different skills including sewing and glue gun. This will be under adult supervision.

Can we please ask that socks are sent into school in a clearly labelled bag by Friday 21<sup>st</sup> May 2021; each child will only be able to use their own sock.

Please speak to your child's class teacher if you have any questions.

Thank you very much for your continued support.

Miss Pattison and Miss Houlihan

Year 1 Teachers
