Monday 10th May 2021

Dear Parents and Carers,

We have been given the excellent opportunity to offer free **Bikeability Training** at Level 1 and 2 to our children in year 5. The dates for this training will be **Tuesday 8th June - Friday 11th June 2021**. This safe, structured and standardised programme is designed to make your child a more competent cyclist and prepare them for cycling on the road. The course will take place across four separate sessions throughout the week, during the school day.

Training will be carried out by Cycle Confident, the borough's cycle training provider, and will be delivered by two fully accredited National Standards cycling instructors with enhanced DBS checks. Only pupils from the Year 5 bubble will be participating in this training and Covid safety measures will be adhered to by the trainers. We have **space for 30 children** to take part. If your child would like to participate, they will need to bring a bike, that is safe, to school throughout this week. They must bring their own helmet and they need to be able to ride a bike without stabilisers. It is not compulsory to own a bike or helmet, as these can be provided by the school, in the event that your child does not own one.

If you would like your child to take part, please complete the below Google Form by **Monday 17th May 2021**.

The children will be selected on Wednesday 19th May. **If your child is selected, you will receive a confirmation letter and Cycle Confident consent form which must be signed and returned.**

Kind regards,

Miss Thorpe
